

For: _____

We're stuck at home to flatten the curve,
But you're working hard to help and to serve.
Thank you for doing the work that you do;
This is all just to say, "We appreciate you."

Thank you for everything you are doing to keep our communities running during this time of widespread isolation, illness, and worry. You are greatly appreciated. Sincerely,

Your friends at Polk City United Methodist Church
Children's Ministry
1421 W Broadway St. Polk City 50226
